## INTRODUCTION

At Peter Tobin Funerals, we recognise that a funeral is an important way for families and communities to celebrate the life, culture and interests of those we have loved. Assisting your family with arranging a funeral requires the input of a team of caring, creative and professional staff and often involves many days of preparation and planning, as well as several hours of involvement from a number of staff on the day of the funeral itself. We are committed to guiding you through this difficult time and trust our service and care meet your expectations of us.

This booklet is provided for your information in accordance with the Funerals Act 2006. In order to provide you with the best advice possible and ensure that a funeral meets your individual family requirements, we strongly recommend that you discuss your funeral needs with one of our professionally trained staff at no obligation or cost.

## FREQUENTLY ASKED QUESTIONS

### *What is the role of the Funeral Planner?*

In much the same way that a wedding planner coordinates and oversees all aspects of a wedding, our Funeral Planners will coordinate the practical aspects of a funeral such as care of the deceased, coordination of funeral bookings and assistance with celebratory and personalisation aspects such as music and photographs that reflect the life of the deceased.

### *What is the cost of a funeral?*

This question is difficult to answer without an explanation and understanding of the many personal choices which are made throughout the process of arranging a funeral. There are generally 3 main components associated with the cost of a funeral: (please see pages 3 & 4 for a more detailed explanation)

1. Professional Service Fee
2. Third Party Fees
3. GST

### *What are the terms of payment & options?*

Payment of third party fees is requested prior to the date of the funeral. The final account is posted within a few days of the funeral. Payment is due within 10 days from the receipt of the account. We appreciate that for some families payment of the final account may present some difficulties and therefore we may agree on a payment plan in some instances.

As it is impossible for Tobin Brothers to anticipate or estimate the individual requests and requirements of all families that we serve, from time to time it may be appropriate for fees not specifically listed in this brochure to be charged.

Examples of this may be an additional Professional Service fee for funerals with a high degree of organisational complexity and Tobin Brothers' involvement, or for special merchandise requirements.

Such fees will be fully discussed prior to the funeral, once the nature and extent of these additional fees are known.
